

CANDIDATE STATEMENT

Name: Mark Hendrickson

Address: 9606 Stonewash Drive, Littleton, CO 80125

As a dedicated member of our community, I am running for the Mirabelle Metro District 2 board to bring a balanced, practical approach to neighborhood governance. With a background in process management and finance, I understand the importance of efficiency, accountability, and financial responsibility in maintaining and improving our shared spaces.

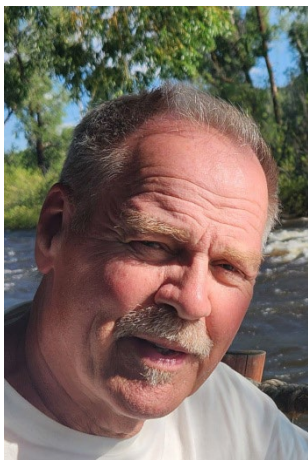

Improving the efficiency and effectiveness of organizations including work at IBM, StorageTek, EDS, GM, Accelr8 Technology, and First Option Mortgage is a thread that ran through my career. I was able to move between disciplines and do effective process improvement. I have continued to do this in small ways with organizations I have interacted with in my retirement.

My experience in both managing P&Ls in organizations and work in the financial industry enables me to understand and suggest improvements for the financial management of our metro district.

I will be open to suggestions for enhancing recreational activity options on our metro district's property.

I believe in fostering a community that is both fiscally sound and socially connected. My socially liberal and fiscally conservative values allow me to approach decisions with empathy while ensuring responsible financial oversight. My goal is to enhance transparency, improve operational effectiveness, and ensure that our metro district serves the best interests of all residents.

I would be honored to have your support and look forward to working together to make our neighborhood the best it can be
